

THE FOLLOWING ARE UNCONDITIONAL PAYMENT TERMS:

I understand that fees, down payment and monthly payments are nonrefundable and nontransferable. If I am paying participation fees on the Monthly Payment Plan, I understand that payments are due January 1, February 1, March 1, April 1, May 1, June 1 and July 1, must be kept current throughout the year and must be current at the beginning of each new competitive season.

CANCELLATION OF AGREEMENT:

Enrollment, as specified within this Financial Option Form, may be canceled by parents or guardians in writing, with forfeit of \$200 fee, prior to January 20. If enrollment is canceled after January 20, parents or guardians financially responsible for the participant are obligated to pay the full annual program fee.

WITHDRAWAL or DISMISSAL:

I understand and agree, that after January 20, in the event of withdrawal or dismissal for any reason whatsoever, whether voluntary or involuntary, for disciplinary, medical, or other reasons, CFC will sustain damage which is uncertain in amount, or difficult to prove, and for this reason we agree that we shall be liable for any fees paid and the full annual program fees, less any scholarship granted as liquidated damages. I also understand that enrollment is for the entire competitive program year and there are no participation fee allowances for absences. Additionally, if collection procedures are necessary, I understand that we WILL be liable for all fees, costs, and expenses including, but not limited to, legal fees, court costs, and interest. League credentials ("player cards" or "player passes" or roster associations) will not be released until all fees have been paid in full.

SUSPENSION IN THE CASE OF PAST DUE ACCOUNTS:

I understand that CFC may prohibit our child from participating in training and competition when an account is past due. I understand that CFC will give at least 48 hours notice to our if our player is not to participate because of nonpayment. The denial of attendance under these conditions will not relieve our of any obligations under this Financial Option Form. I will still be obliged to make all payments due under the agreement.

NON-RETENTION:

I understand that CFC has the right to dismiss or deny re-enrollment of any player for unacceptable behavior, or for any other reason when, at the sole discretion of the board, that player's continued presence is not in the best interest of either the club or the player. I also understand that the club reserves the right to dismiss or deny re-enrollment to a participant when in the sole discretion of the board, the positive and constructive working relationship between club and parent that is so necessary to a player's success and satisfaction and to the institution's ability to serve others does not exist.

OTHER FEES:

Uniforms, tournaments, coaches' travel expenses, league fines etc are player responsibilities.

CFC CULTURE:

We understand that each family enrolling a child in the competitive program at Cascade Fútbol Club is required to contribute five (5) hours of volunteer service during the year to activities that benefit the club. Families participating in the CFC scholarship program will contribute ten (10) hours of volunteer service. If the child's family elects not to contribute required service I understand that \$100 will be billed to our account at the end of end of the competitive season; families may be considered ineligible for scholarship.

RETURNED CHECK & PAST DUE ACCOUNT POLICIES:

CFC will charge a \$25 service fee for any returned check. All returned checks must be made good by payment in money order, certified check, cash or other guaranteed funds. After one returned check, CFC reserves the right to no longer accept personal checks.
